

# Drop On Recall

The 'Drop On Recall' exercise is a key component in Competition Obedience. It is also an extremely important, useful command for everyday life. Here's your chance to see it taught from start to finish in this single topic 4 hour accelerated workshop. Learn how to teach the concepts behind the exercise in a way that's fun, positive and effective for your dog. See how the pieces come together for a perfect finished product. There's something for everyone - from the pet owner who wants a well-behaved, trained dog to the competitor going for the blue ribbon!
