NOSE WORK FOR FUN

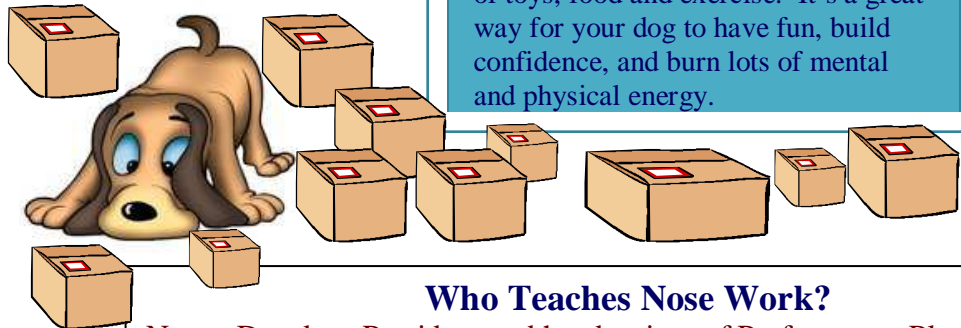

The Hot, New Training 'Scent'sation!

What is K9 Nose Work? It is the recreational, fun sport created and sanctioned by the NACSW, and was inspired by and borrows elements from the training methodology of detection K9s. The dog uses its nose to locate a target scent or odor. Do it for fun or competition!

Why Should I Take This

Class? Dogs have an amazing sense of smell and a natural desire to hunt. The class is designed to develop your dog's natural scenting abilities by using their desire to hunt and their love of toys, food and exercise. It's a great way for your dog to have fun, build confidence, and burn lots of mental and physical energy.

Who Does Nose Work? Any dog, any breed! If your dog has a nose, you need only find what truly motivates your dog to start down the nose work path! See your dog get turned on by doing what comes naturally to him.
