# THE RETRIEVE

## For Competition or For Fun!

Teaching your dog to fetch the right way—to get the item, bring it back to you, and give it to you, is a terrific way to exercise your dog, stimulate your dog’s mind, and build your relationship with your dog. It is also required for advanced competition obedience. Teach your dog foundational techniques using positive methods that are fun and useful for both you and your dog! Topics include:

- “Take it – hold – give!” using treats and a clicker
- ‘Marking’ the retrieve
- Cookie toss retrieve
